UMAREX

MIDUMA09U	Co ² Flesje Umarex -12gr, #4.1685-1	0,93
MIDUMA11	Kit 5 flesjes reiniging Co ² . In addition to the CO2 gas the valve maintenance capsules are also filled with 0,5 g of a special oil that cleans and oils the valve while shooting and at the same time provides all sliding parts of the mechanism with a layer of oil. Regular use of valve maintenance capsules ensures consistent precision and reliable operation., #4.1683	16,00
